- 1. On March 23, 2012, plaintiffs filed their complaint in the above-entitled action against Defendants SYSTEMAX INC. and GLOBAL EQUIPMENT COMPANY, INC. (collectively, "defendants" and together with plaintiffs, the "parties").
- 2. Beginning on or about May 9, 2012, the parties have been actively discussing settlement. In June 2012, the parties arrived at a settlement in principal and so informed this Court. The parties have agreed to the settlement agreement and are only awaiting the formality of signature by the respective parties.
- 3. As the process of settlement is virtually complete, the parties seek to avoid needless and inefficient litigation.
- 4. Accordingly, the parties agree that the deadline for defendants to answer, appear or otherwise plead in response to the complaint shall be August 27, 2012.
- 5. The parties further agree that the time to file a stipulation for dismissal, as ordered by the Court on June 28, 2012, (Docket No. 15), shall be extended to August 27, 2012.
- 6. The parties further agree that the date upon which Michael Adler and Dimitra Tzortzatos may file pro hac vice applications (as set on the July 9, 2012 Minute Orders, Docket Nos. 16 and 17) shall be extended to August 27, 2012.
 - 7. Defendants have agreed to the contents of this motion.
